

WATER RESOURCES RESEARCH GRANT PROPOSAL

Project ID: 2002SD8B

Title: Information Transfer

Project Type: Information Transfer

Focus Categories: N/A

Keywords: Information and education

Start Date: 03/01/2003

End Date: 03/28/2004

Federal Funds Requested: \$15563.00

Matching Funds: \$36781.00

Congressional District: First

Principal Investigators: Van Kelley; German, David R.

Abstract: Information transfer is an important area of emphasis of the South Dakota Water Resources Institute (SD WRI). It emanates from the philosophy that the Institute is ultimately responsible for providing assistance to the public that funds it. Consequently, information dissemination is emphasized and encouraged, as an integral part of all program efforts. Information transfer at the SD WRI includes activities in public outreach, interaction with State and Federal agencies, youth education, and Institute publications.
